

KNITTING PATTERN *bingo*

HOW TO PLAY:

Before you go to a yarn festival, fill out the bingo sheet below with patterns you expect to see at the festival site. If you are playing with friends, make sure you all have different sheets. If you want, you can agree on a prize for the winner. When you see a person wearing one of the knits on your sheet, you can cross it out. As soon as you have five crosses in a row - whether vertically, horizontally or diagonally - you've won!
